

Dear Law By Choice For Freedom Team, 6-19-19

I apologize for not writing more often, just so many things going on. You know how that is I'm sure.

Tonight I leave for Liberia until July 4<sup>th</sup>, we are to meet with leaders, please be praying for this that God's Word may be lifted up and made honorable. Robert, Karuna, Enock, Kocker and all of you who are helping to spread the Word have been having great success.

Robert just attended and handed out many Ten Commandments at the Martyrs Day Celebrations in Uganda where nearly 4,000,000 people attended. Karuna has been very busy with his team in India printing and distributing thousands, and Enock in Kenya and of course we are now going to Liberia to work with leaders there. Also many great things are taking place in Nicaragua, Miguel just sent a message that the last 5,000 of the 40,000+ posters that we printed there have been distributed. Also a new TV station (3 ABN) is about to open and has been authorized by the President.

I long to write more to you all and bring further information but it will have to wait for next time.

God's Law must be taken to the people, the day is coming when there will be a famine in the land for the Word of God, now is the time to act. We cannot depend on electronic media for everything.

This is a confirmation of what we have been saying for several years now. We must get the Word of God (Law of God, the Ten Commandments) on the walls of the homes of people asap. The day is coming when all the electronic forms of communication and teaching will be turned off over night with the flipping of a switch.

All of our, power point, television, radio, computer, smart phone etc. etc. will be blank, useless. But if the people have put the law of God on the 'posts of thy house, and on thy gates' of their homes to teach their children they will have the armor to make it though the days ahead.

These houses will be safe.

Just like the homes in Egypt who placed the blood of the lamb over their doors were safe, (a representation of the Lamb of God, Jesus Christ) many years ago, those homes who are willing to teach and uplift the Word of God will have the protection necessary to make it though to the promised land, a new heaven and new earth. Led by, and granted by, Jesus: "The next day John seeth Jesus coming unto him, and saith, Behold the Lamb of God, which taketh away the sin of the world." John 1:29

Any of these **Silicon Valley** tech giant overlords doubting **President Trump's** power and resolve to bring them down, this report states, just got a "*warning wake up call*" earlier today when all of their websites and services

suddenly stopped working—to include thousands of users of **Google's Nest** services who found themselves locked out of their own homes—an outage that is now looking to be the largest in history—and that experts the world over are now confirming was caused by the use of the “*Internet Kill Switch*” only **Trump** is authorized to activate. <http://www.whatdoesitmean.com/index2886.htm>

A friend just told me about an incident that happened in Belize about a man that was contemplating robbing a store, getting drunk and high on drugs then killing himself. He looked across the street and saw a man putting up a poster of the Ten Commandments and read two that stuck in his mind, Thou shalt not steal and Thou shalt not kill. It changed his heart and he stopped his plans. Later he saw the man putting up the posters and told him about what happened. “Where the word of a king is, there is power...” Ecclesiastics 8:4

With much Love, your brother in Jesus Chirst,  
Gerry
