Dear LBCFF Team,

There are three links here, one is painting a dire picture of the CoronaVirus, one of the 1918 Spanish Flu, one of UN Secretary General warning the world. If you don't have time to watch the whole video of the 1918 account, please start it at the 25 minute part and at 25 minutes 20 seconds it will explain that the authorities thought the virus had run it's course and told everyone not to worry. Think of all the people who come forward after a mass shooting or terrorist attack and say they knew there was something wrong with the people that carried out the terror but they didn't want to get involved and have people think they were alarmists.

Do we really have the luxury to play it safe thinking if we are wrong we will be accused of being alarmists? What about Jonah? Didn't he go through some of the same things. He didn't want to go but after being swallowed, deposited on the beach, he warned of what could come upon Nineveh if they didn't repent.

Not unlike any of us, he didn't want to be ridiculed as a false messenger when the event he warned of didn't happen, in fact he got depressed thinking of how it made him look bad. God had to straighten him out, he should have been glad that the calamity he spoke of didn't happen and lives were spared. He finally understood. The calamity didn't happen because God saw repentance and stopped the coming disaster.

In Davids situation we read: *"And when the angel stretched out his hand upon Jerusalem to destroy it, the LORD repented him of the evil, and said to the angel that destroyed the people, It is enough: stay now thine hand. And the angel of the LORD was by the threshingplace of Araunah the Jebusite. And David spake unto the LORD when he saw the angel that smote the people, and said, Lo, I have sinned, and I have done wickedly: but these sheep, what have they done? let thine hand, I pray thee, be against me, and against my father's house."* 2 Samuel 24:16-17. David, the believer, did wrong and a collective judgment came on the people. We have a great responsibility as do the leaders we elect to govern us, we chose our leaders and reap what we sow.

May God give us eyes to see. Just a few things to consider. Isaiah 3:4,9,12,25; 26:9. Zephaniah 1:11-12; along with this verse: *"She obeyed not the voice; she received not correction; she trusted not in the LORD; she drew not near to her God. Her princes within her are roaring lions; her judges are evening wolves; they gnaw not the bones till the morrow. Her prophets are light and treacherous persons: her priests have polluted the sanctuary, they have done violence to the law."* Zephaniah 3:2-4

The UN General Secretary is warning of the Four Horsemen coming on the world (the very rocks will cry out) He's identified the problem but not the correct solution. It's not a better vaccine, weapon, self help class, weather control, internment camps, stronger leaders, etc, etc. Hosea 4:6 says we are destroyed for a lack of knowledge, because we have rejected the law of God. Jesus said to go and teach. That is the solution, teach quickly, make the Word of God available. As Jesus taught: *"...Repent: for the kingdom of heaven is at hand."* Matthew 4:17. God is a refuge in the coming storm (Isaiah 4:6).
